### W-01: How Ecologists Can Contribute to the Work of IPBES, the Intergovernmental Platform on Biodiversity and Ecosystem Services

Time: 10:20-12:20

Room: 405, CNCC

Chair: András Báldi; Yi Huang

- 10:20 **The Foundations of IPBES, the Intergovernmental Platform on Biodiversity and Ecosystem Services**  
András Báldi (Centre for Ecological Research, Hungarian Academy of Sciences)
- 10:35 **Recent Progress in the IPBES Work Programme**  
Yi Huang (College of Environmental Sciences and Engineering, Peking University)
- 10:50 **Working Together for a Regional Assessment**  
Szabolcs Lengyel (Centre for Ecological Research, Hungarian Academy of Sciences)
- 11:05 **The Future of IPBES: The Finalization of the 1<sup>st</sup> Work Programme and the Development of the 2<sup>nd</sup> Work Programme**  
Youngbae Suh (Seoul National University)
- 11:20 **Question and Answer Session**

### W-03: Building Your Researcher Profile

Time: 10:20-11:50

Room: 406, CNCC

Chair: Alison Paskins

- 10:20 **Introduction**
- 10:30 **Promoting your Research**  
Conveners: Alison Paskins (Taylor & Francis)
- 10:55 **Demonstrating Impact and a Wider Relevance**  
Conveners: Alison Paskins (Taylor & Francis)
- 11:20 **Supporting your Community**  
Conveners: Alison Paskins (Taylor & Francis)
- 11:45 **Question & Answer Session**  
Panel members: Alison Paskins (Taylor & Francis)

## Wednesday, August 23, 2017

### W-02: Publishing in High Quality Ecology Journals

Time: 10:20-11:50

Room: 405, CNCC

Chair: Erika Newton; Helen Eaton

- 10:20 **Introductions**
- 10:25 **Selecting the Right Journal for Your Work**  
Conveners: Marc Cadotte (Executive Editor, *Journal of Applied Ecology*); Erika Newton (Managing Editor, British Ecological Society)
- 10:55 **Preparing Your Manuscript**  
Conveners: Helen Eaton (Senior Commissioning Editor); Shalene Singh-Shepard (Publishing Editor, the Royal Society)
- 11:25 **Question and Answer Session**  
**Panel Members:**
- Marc Cadotte (University of Toronto. Executive Editor, *Journal of Applied Ecology*)
  - Fu-Wen Wei (Institute of Zoology, CAS. Associate Editor, *Proceedings B*)
  - Shuli Niu (Institute of Geographic Sciences and Natural Resources Research, CAS. Associate Editor, *Functional Ecology*)
  - Larry Li (University of California)
